"GALLOPING VENGEANCE"

Synopsis

Tom Hardy, Texas Ranger, has been commissioned to find Big Wolf, an old Indian chief who has an interest in some oil lands and who has been kidnapped by Granby and his gang. Big Wolf is confined in a cave, where the band try to torture him into signing away his interest in the oil lands. Little Wolf, his son, is an able ally of Hardy in his efforts to find the old chief.

Young Reeves, a boy who is easily lead, has fallen in with Granby and his gang. Hardy advises him that they are poor company, but he refuses to heed the warning. Reeves gets into a fight with one of Granby's enemies in a bar room and as they are struggling for a gun Granby sees a chance to even an old score. Just as the gun goes off Granby shoots from his hip, kills the man, and lets Reeves think that he is responsible for the deed. In desperation Reeves rushes home to his sister, Marian. Hardy, pursuing Reeves because he thinks him responsible for the killing, comes to the house and Reeves hides up the chimney in the fireplace. Marian tells the ranger that she has not seen her brother and asks him to have tea; but he refuses. When he goes out, however, he sees Reeves' horse, all in a lather, and returns saying that he has changed his mind and will take some tea after all. Marian is very nervous and Hardy knows Reeves must be hiding there somewhere. He discovers the hiding place and orders Reeves out, but Marian, who has taken her brother's revolver when he entered, gets the drop on the ranger and tells the boy to make his escape, which he does.

Reeves runs into Granby and his gang near a cave where they have Big Wolf imprisoned. He wants to be rid of them, but Granby forces him to remain while the band plot the blowing up of a big dam. Marian, riding to find her brother, is also caught by Granby. Tom Hardy and Little Wolf pursue Reeves and find him at the cave. While Hardy battles with the gang, Little Wolf helps his father to escape. The dam is blown up, and Hardy saves Marian's life as the water sweeps down through the valley. He also rescues Granby, and as the latter is dying he confesses he shot the man with whose murder young Reeves is charged.
